Children & Family Programs

*Let us transport your child to a world where
inspiring local experts unveil the hidden treasures of Stowe, Vermont.*

Stoweflake Resort Family Discovery

(See our examples, design your own.)

In every season, Stoweflake Resort Family Discovery programs can provide your family with the adventure that works for you. Let us care for your children or parents can join us too for an exclusive guided family discovery. Our full-day and half-day programs are designed around our Stoweflake Resort families' interests, abilities and schedules. Our staff will meet you at your convenience, guide you through an adventure of your choosing, and help you make your own unique discovery.

Stoweflake Discovery full day rate (8am to 5pm) is \$100 per person per day; half-day is \$60.

\$50 deposit to hold reservation. Cancellation 24hr prior will result in loss of deposit only. Cancellation after 24hrs prior will result in full charge.

Vacation Adventures 2010

(See our Schedule.)

Apple Tree Discovery Vacation Adventures are planned for most school vacations and other holidays. Children are transported in our Apple Tree Vehicles to the special places in and around Stowe to try ice skating, indoor rock climbing, gymnastics fun, a visit to the Montshire museum, snow shoeing, dog sledding, horse drawn sleigh rides, cross country skiing, ice fishing, shelter building, and much more. Apple Tree Discovery fee for Stoweflake Resort guests is \$75.00 per child per day. \$25 deposit to hold reservation. Cancellation 24hr prior will result in loss of deposit only. Cancellation after 24hrs prior will result in full charge.

Stoweflake Resort Family Discovery

Winter Program Adventures

Snowshoe Tracking Adventure:

Campers will learn to distinguish the bounders, hoppers, walkers, and waddlers who leave their tracks in our Vermont forest. Then we'll head out for a snowshoe tour of the woods to look for tracks and play some games with our own tracks too!

Cross Country Skiing:

Starting from the Trapp Family base lodge, we will venture out to the field and meadow to work with every ability level and assess ski technique, conditions, and conditioning to consider the climb to the warming hut. Closer destinations can be just as fun with warm fires and hot chocolate back at the lodge or up at the hut.

Llama Walk and Farm Tour

Campers come to Apple Cheek Farm to visit with llamas, horses, chickens, and emus! Then we head out and let the llamas lighten our load and brighten our day as we take them for a hike and have a fireside picnic.

Horse Drawn Sleigh Rides:

All Sleigh rides are not the same. We will sample rides at resort and farm to capture the full range of sleigh riding adventure. And we will take time between rides to do some hillside sliding on our own sleds too.

Stowe Rec. Path Discovery:

Families hike, snowshoe or cross country ski the Stowe Recreational Path. We will stop for streamside exploration, a picnic lunch, and a great game of "Eagle Eye."

Petra Cliffs Indoor Climbing Adventure

Campers travel to South Burlington to enjoy an indoor climbing experience inside the state-of-the-art climbing gym at Petra Cliffs. Explore their belay harnessed climbing walls, bouldering room, & suspended high ropes course, and discover your own potential.

These are some examples of our successful programs. We can provide many different activity options. Complete our planner or call to custom plan your day.
