

A Family Affair: From Modest Inn to World-Class Resort & Spa

45 years of Commitment to Vermont Hospitality

For over 45 years, the Baraw family has owned and operated the Stowe, Vermont property known as *Stoweflake Mountain Resort & Spa*. From a modest inn, *Stoweflake* has evolved into a world-class destination resort and spa!

Most recently, the Baraw family unveiled a 50,000 square foot luxury spa and wellness center. The *Spa at Stoweflake* brings the pristine beauty and serenity of the Green Mountains into a meditative environment focused on relaxation and rejuvenation. With more than 30 treatment rooms, six fireplaces and beautifully appointed sanctuary lounges, this spectacular spa experience is unparalleled in New England.

Design highlights of the *Spa at Stoweflake* include our Aqua Solarium, a communal area with a beautiful view of Mt. Mansfield, Vermont's highest peak. The solarium features our 102-degree *Bingham Hydrotherapy Waterfalls*, a rock formation hot tub with cascading waterfalls, named and inspired by a local mountain landmark. Also featured is a heated, European-style *Hungarian Mineral Soaking Pool* with soothing mineral salts from Hungary.

Be sure to relax in our meditative courtyard garden and labyrinth. Designed by a world-renowned dowser, the labyrinth incorporates the centuries-old tradition of meditating while you meander through the winding path of herbs and flowers which are also used in our signature spa treatments and cuisine.

Stoweflake Sports & Wellness Center features a fully equipped Cybex fitness center, squash/racquetball court, dedicated Spinning studio, yoga/aerobic studio, women's only fitness room and stretching room. Our certified fitness trainers and instructors welcome the opportunity to guide you through a new fitness experience! The fitness center also includes an indoor pool, coed sauna and steam rooms serviced by men and women's locker rooms.

At Stoweflake, you will also find a year-round outdoor pool and Jacuzzi, both with radiant heated decks. Be sure to explore our 60 scenic acres and fitness courses including 5K of groomed cross country/snowshoe trails.

Stoweflake boasts two on-site award-winning restaurants, Charlie B's Pub & Restaurant and Winfield's Bistro. Our fun and festive Charlie B's offers 50 wines by the glass, 10 beers on tap, a diverse and enticing upscale pub menu, and a ski history memorabilia collection.
