

Dear Friend:

Welcome to Stoweflake!

In 1963, the original Stoweflake Inn stood where the eastwing now stands. Over the past 45 years, our small inn has grown into a full-service luxury resort with a worldclass spa, two award-winning restaurants and a state-of-the-art conference center. We are committed to providing you with unparalleled service, an array of activities, luxurious accommodations and amenities. In our third generation of operation, the Baraw family is proud to have cultivated Stoweflake Mountain Resort & Spa to the epitome of Vermont country hospitality. This Guest Services Directory is a resource to help you find what you may need during your stay. Our Mountain Vacation Planners®, located in the main lobby, are available to assist you with all aspects of planning a unique and enjoyable stay with us.

Relax, enjoy and again, welcome to our home!

Sincerely,
